**RE: Solid Waste Facilities Permit Application, Browning-Ferris Industries, Sunshine Canyon
Landfill (SWFP No. 19-AA-2000)**

SENT: Via US mail and electronically

Dear Mr. Levine:

I am the president of the NVC and the person most knowledgeable about the NVC position toward the solid waste facility permit application submitted to the CIWMB by BFI.

I had no knowledge that the CIWMB may accept the permit as complete until its March 7, 2008 letter to that effect. Prior to that, in the couple of weeks preceding, I had only heard that the CIWMB may accept the application, but I did not get that confirmed until the first week of March.

Yours truly,

Wayde Hunter
President, NVC
